BEYOND THE CLASSROOM WALLS

CHOOSE **CYBOARD SCHOOL**

Our Vision:
To empower every child with the knowledge, skills, and values they need to thrive in the 21st century.

Our Mission:
To make high-quality education accessible and affordable to all, regardless of location or background.

CYBOARD SCHOOL
A Structured **Online School** That Provides Comprehensive Learning, Nurtures **Holistic Development,** and Builds a Strong Foundation for Your Child's Bright Future.

What Makes Us Your Best Choice?

Aligned with NCF

Our curriculum from Nursery to Grade 12 follows the **National Curriculum Framework,** giving students a well-rounded, comprehensive education.

Top Teaching Talent

Our teachers are some of **India's most experienced and dedicated educators.** By integrating tech and modern resources, bringing quality learning to every student.

Learn from Anywhere

Students can learn from anywhere, making it the **perfect fit for all families, whether at home, on the move, or in remote areas.**

Learning Beyond Books

Our online school goes beyond academics, **providing life skills** like critical thinking and problem-solving through extracurricular and project-based activities, fostering holistic development.

THE DIFFERENCE BETWEEN ORDINARY AND EXTRAORDINARY IS THAT LITTLE EXTRA

At Cyboard School, we believe that every student has the potential to achieve greatness. That's why we go beyond the ordinary and offer ***"that little extra"*** to ignite the spark of learning and empower our students to reach their full potential.

Our innovative ***Learning Management System***, combined with our passionate educators and personalized learning approach, fosters a dynamic environment where students can explore their interests, develop their talents, and become confident and successful individuals.

Shaping India's Future

Through Quality Schooling

A dream for children in remote areas or those seeking a flexible yet high-quality education has come true. At Cyboard School, every child, no matter where they are, can now access world-class education from the comfort of their home. We emphasize activity-based learning, problem -solving through real-life scenarios, and nurturing sustainable reading and writing skills.

Nursery to Grade 12 Curriculum

Following the National Curriculum Framework guidelines, Cyboard School offers a comprehensive academic curriculum covering all core subjects.

Rigorous Learning Environment

Experienced and qualified teachers facilitate interactive online lessons, live sessions, and group activities to ensure active learning and in-depth understanding.

Our approach focuses on the holistic development of every student!

Individualised Learning Plans

Recognizing the unique learning styles and needs of each student, Cyboard School develops personalised learning plans for optimal academic progress.

Graded & Non Graded Assessments

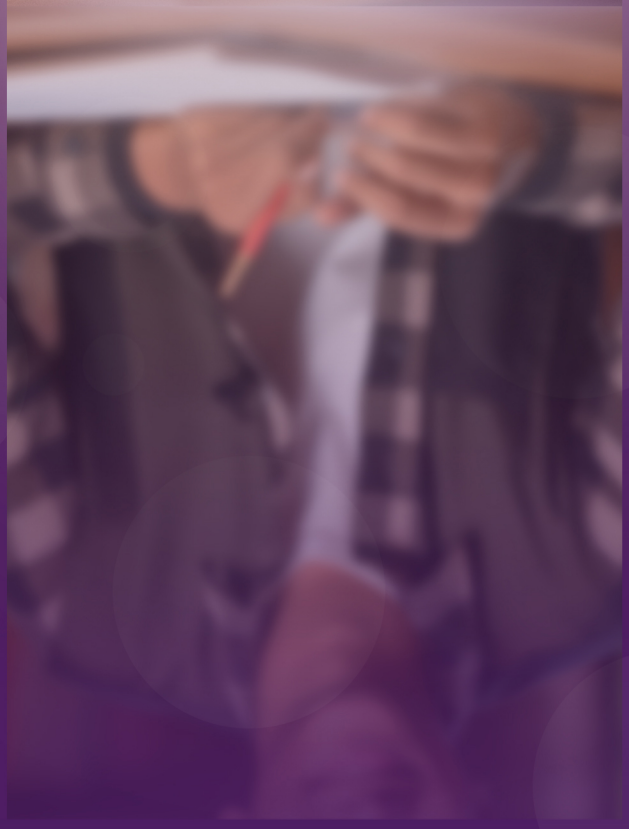

Regular non graded assessments provide insights into concept clarity and graded assessments provide valuable feedback on student progress and mastery of learning objectives.

CHILDREN HAVE A NATURAL PASSION FOR LEARNING. IT'S OUR JOB TO **KEEP IT ALIVE**

At **Cyboard School**, we understand that children possess a natural curiosity and passion for learning. We believe it's our responsibility to nurture this innate spark and provide the environment where their enthusiasm can flourish.

Our **innovative curriculum** goes beyond rote memorization and focuses on engaging students in interactive learning experiences that ignite their imagination and stimulate their intellectual curiosity. We encourage exploration, discovery, and critical thinking, fostering a love for knowledge that extends far beyond the classroom walls.

At Cyboard School, we identify each child's unique interests and talents, tailoring educational experiences that cater to their individual **passions**.

Specialised Programs

- Coding and Programming
- Robotics and Artificial Intelligence
- Foreign Languages
- Creative Writing

Co-Curricular Activities

- Music and Art
- Debates and Public Speaking
- Life Skills and Social-emotional Learning

Beyond Academics

- Parent Engagement
- Counselling and Support Services
- Tech-Enabled Learning Platform

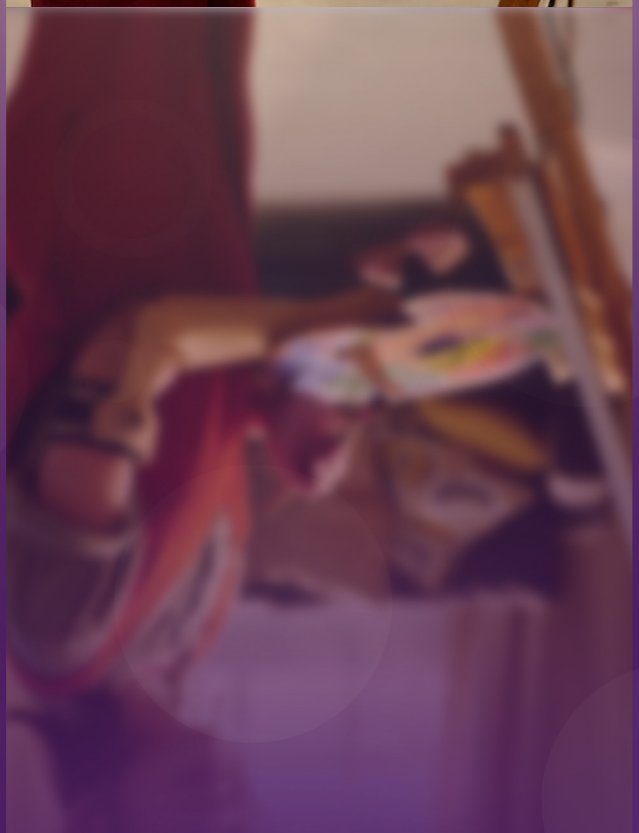

THERE ARE NO ORDINARY CHILDREN

EACH CHILD IS A UNIQUE MIRACLE

Every child is born with a genius. We at Cyboard School nurture that genius, not standardize it. We strongly believe that every child is different, with their own unique talents and gifts. We help them discover these talents and provide them with the opportunities to develop them.

Cyboard School's
unique offerings address the specific needs and motivations of its ideal student population, making it a compelling choice for individuals seeking a **high-quality**, **flexible**, and **engaging** *schooling experience*.

Choose Cyboard School if you are looking for

- Access to a high-quality education regardless of location
- Personalized learning experience tailored to individual needs and learning styles
- Opportunity to explore various interests and passions outside traditional academic curriculum
- Holistic development focusing on emotional well-being and social-emotional learning
- Global perspective and opportunities for collaboration with diverse peers

What Parents Look for at Cyboard School

- Flexible open schooling options that adapt to their child's needs
- Tailored homeschooling solutions with expert support
- A platform where children can pursue their passions alongside their academics
- A safe and secure learning environment for peace of mind
- Schooling that fits their transferable jobs
- Inclusive learning for children with physical disabilities
- Quality education for children lacking access in remote or underserved areas

PARENTS ARE THE FIRST AND MOST IMPORTANT TEACHERS IN A CHILD'S LIFE

We at Cyboard School believe that **Education is a partnership between parents, teachers, and the community.** Hence we work together to ensure all children can succeed. We provide parents with the resources and information they need to help their children succeed in school.

Empowering Parents

for **Partnership in Success**

At **Cyboard School**, we believe that education thrives when parents, teachers, and the community work together as a unified force.

Parent Portal

Through our dedicated parent portal, we provide real-time insights into your child's progress, empowering you to actively participate in their learning journey.

Parent Webinars

We offer regular workshops and resources to equip you with valuable knowledge and skills to support your child's academic development at home.

Remedial Classes

We offer personalized remedial classes for students who need additional support in specific subjects.

Developmental Discussions

We offer regular support for all students to enhance learning outcomes.

Ease of Access

We encourage open communication and collaboration, creating a supportive environment where parents can share concerns, ask questions, and work hand-in-hand with our dedicated team to unlock their child's full potential.

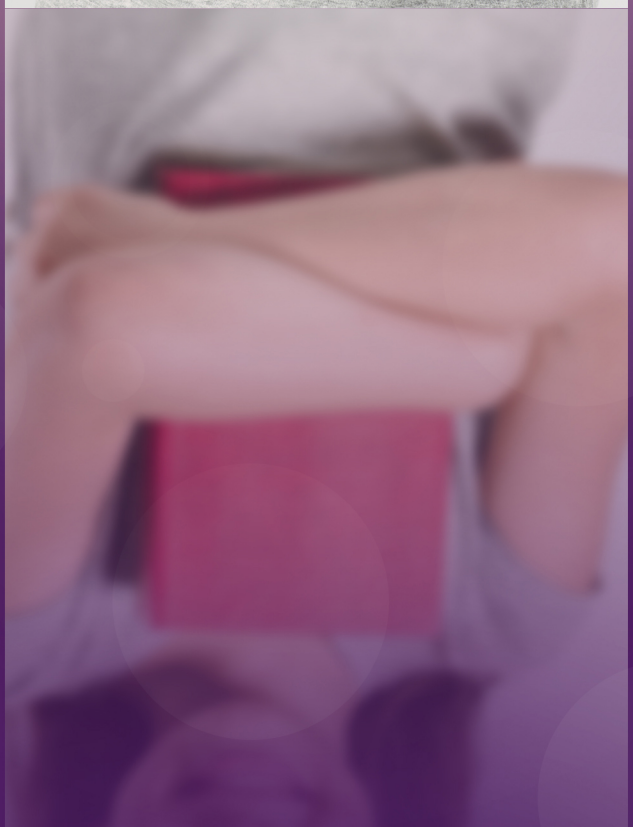

Cyboard School believes that empowered parents are key to fostering a thriving learning environment where every child can reach for their dreams.

REIGNITE YOUR CHILD'S PASSION FOR LEARNING WITH CYBOARD SCHOOL

Has your child's curiosity and love for learning dimmed over time? At Cyboard School, we believe that **every child possesses a unique spark** of curiosity waiting to be rekindled. Our innovative learning environment fosters an engaging and interactive educational experience **that reignites the passion** for learning within each student.

Join us on a journey to reignite your child's passion for learning and **unlock their full potential.** Explore the additional features of Cyboard School and discover how we can help your child thrive in a world of **endless possibilities.**

Education for the 21st Century

Cyboard School creating Future Leaders

At **Cyboard School**, we don't just prepare children for the future; we actively shape it. We go **beyond the standard curriculum** with exclusive, meticulously curated programs designed to equip our students with the skills and knowledge they need to thrive in a rapidly evolving world.

Outdoor Meets for Physical Development

Cyboard School understands the importance of peer-to-peer connect for overall development. The school organizes virtual and in-person outdoor meets and activities to **promote physical fitness**, encourage **healthy habits**, and foster a love for the outdoors.

Cyboard School Virtual Labs

Cyboard School fosters experiential learning through our state-of-the-art labs. Immerse yourself in language acquisition with interactive technology, unlock the magic of math with hands-on activities, and embark on a scientific journey through experimentation and observation. Our labs are catalysts for curiosity, creativity, and critical thinking, empowering students to become confident lifelong learners.

Remedial Classes for Diverse Learners

Cyboard School caters to the diverse needs of its students by offering supportive remedial classes for those who require additional assistance. These classes provide personalized attention and targeted instruction to help students overcome challenges and achieve academic success.

21st Century Skills via Workshops

Cyboard School recognizes the importance of preparing students for the future by equipping them with essential 21st century skills. The school offers workshops on coding, robotics, AI, digital literacy, and other relevant skills that prepare students for success in the ever-evolving digital world.

World-Class Online Library Powered by Raz-Plus

Cyboard School provides students with access to a vast collection of educational resources through the Raz-Plus online library. This library offers a diverse range of age-appropriate books, ebooks, audiobooks, and educational games that promote literacy development and a love for reading.

Design Thinking Modules

Cyboard School fosters critical thinking and problem-solving skills through design thinking modules that challenge students to creatively apply their knowledge and develop innovative solutions to real-world problems.

Learning Level Analytics

Cyboard School utilizes advanced analytics to tailor the learning experience to each student's individual needs and pace. By tracking progress and performance, teachers can identify strengths and weaknesses, adjust instruction accordingly, and ensure optimal academic growth for all students.

QUALITY EDUCATION IS A FUNDAMENTAL RIGHT NOT A LUXURY

We understand the **financial challenges** families face today. That's why we have designed our fee structure to be **accessible** and **transparent**. We offer affordable rates without compromising on the quality of our education.
